

Breathe in Me Lord

Breathe in me Lord, let me be
An offering God, of humility
Of love and grace Lord, of joy and peace
Breathe in me, God, set us free

Let justice flow Lord, as rivers run
Help me stand God, in the flood
Of pain and grief Lord, of pride and fear
Let justice flow God, bring us near

Show yourself Lord, in my faults
Fashion truth God, from the nois
Of pride and envy, of lies and theft
Take me back God, restore my breath

Tear the veil Lord, let me see
My salvation, Epiphany
Of hope and pure joy, a pardoned soul
Tear the veil God, make me whole

Breathe in me Lord, let me be
An offering God, of humility
Of love and grace Lord, of joy and peace
Breathe in me, God, set us free
