## Holding On

```
Intro: G C2 G C2
   G C2 G C2
Holding on, holding in
The rhythm of a careless love brushes her skin
     G C2 G C2
Soft as rain, hard to know
 G C G C2
A kindness without moment will not grow
  Chorus 1:
         G C
  She won't do the little things
  That remind her of another time
          Bm7 C
  Twists and folds of energy
  Am7 G C2 G C2
  Left behind
    G C2 G C2
She's aware that she's alive
The road that fuels her dreams runs close beside
          G C2
The strength of one, in a hollow crowd
       C G
The binding tears and words not said out loud
  Chorus 2:
         G C
  She can't even begin to feel
  What the next story might bring
            Bm7
  The movements of her bright heart
      Am7 G C2 G C2
  Simply sing
      G C2
A scent of memory in a glass of wine
Cool reflections, precious in her mind
         G C2
The cusp of time, like waves of sand
